

"She is an intoxicating and unmissable cocktail of power and vulnerability."

# STORM LARGE

# STORM LARGE & LE BONHEUR

"Because it has to be said Storm Large is an astounding presence on the stage. And that voice. She can smolder like a chanteuse and then she lets fly with one of the most powerful rock voices I have ever heard in my life and have you pinned to the back wall with its intensity."

SHORT BACK & SIDES (AUSTRALIA)

"...the overpoweringly sexy, clearly sung...performances of singer Storm Large...conquered all with her sheer force of personality."

MUSICAL AMERICA

"Lugubrious, lingering on every syllable, Large's voice was velvet... Large's cabaret act is about variety—perfect, usually slow and luxurious, renditions of songs, mixed with edgy humor and creative twisting of tunes."

KALAMAZOO GAZETTE

"Large's voice is a Swiss army knife, and she spent her show slicing through the limits of the Great American Songbook. She touched on jazz, rock, show tunes and the orchestra's classical presence, no genre out of reach of her flawless vibrato."

THE OREGONIAN

"Large is a serious performer, and whatever she does, she sells it."

WASHINGTON CITY PAPER

"Storm Large is a star, now it's time for the whole world to realize it. Bravo!"
